If the annuitant is a legally incompetent individual, the Board may appoint the legal guardian or some other person as a representative payee.

(2) If payment is being made directly to an annuitant and a question arises concerning his or her ability to manage or direct the management of benefit payments, the Board may, if the annuitant is 18 years old or older and has not been adjudged legally incompetent, continue to pay the annuitant until the Board makes a determination about his or her ability to manage or direct the management of benefit payments and the selection of a representative payee.

**§266.2 Recognition by the Board of a person to act in behalf of another.**

(a) Regardless of the receipt of written notice of the appointment of a guardian or other person legally vested with the care of the person or estate of an incompetent or a minor who is receiving or claiming benefits or to whom any right or privilege is extended under the law, the Board may, in its discretion, validly recognize actions by and conduct transactions with others acting on behalf of the individual found by the Board to be a minor or to be unable to manage his or her affairs, if the Board finds such actions or transactions to be in the best interest of such individual.

(c) *Other evidence.* The Board may also consider statements of relatives, friends, and other people in a position to know and observe the annuitant, which contain information helpful to the Board in deciding whether the annuitant is able to manage or direct the management of benefit payments.
